Dear Mr. Brown:

Disposition of Notice of Violation No. 36741

Based on the information you provided to us in your October 2000 CEM report, showing a violation of the 501 ppm NOx standard 24 hour average at a maximum level of 581 ppm and the new NOx limit of 650 ppm for a 24 hour average in NC 7381 condition 5B approved by the Agency June 7, 2001, this Agency considers the above-referenced matter closed and will take no further enforcement action in this case.

If you have any questions concerning this matter, please contact me at 689-4056.

Sincerely,

Melissa McAfee Inspection II

Mucaf
